Dear Hiring Manager,

I have been Jovan Mostanovski's teacher at Holmesglen Institute for the past 4 months. I am pleased to recommend him for the internship position at your company.

Jovan is studying programming qualification and will finish his Certificate 4 in programming by the end of June.

Jovan takes initiatives in his learning, not only he always finishes the required works on time with a high quality, but also spends extra time in studying related technologies to be a software developer.

Jovan has a good IT mind. He is good at math, good at learning new knowledges and good at solving technical problems.

I am highly confident that Jovan is a good fit to your internship position. If you wish to speak further about my experience working with Jovan, please email me at Qiao.Li@holmesglen.edu.au, or call me at 0412 189 135.
